### From The Principal's Desk

Dear Parents and Community Members,

Well, it's week 10 of Term 1!! How did this term go by so quickly!

The term has been highly productive, involving NAPLAN assessments, Cross Country Practice, and HPE classes at Macknade SS. Additionally, the students have successfully finished some impressive narrative writing tasks.

Throughout the upcoming week, we will have the pleasure of engaging in a variety of captivating activities centred around Easter. These activities will encompass stimulating Easter-themed mathematics exercises, enriching literacy tasks, and delightful craft projects. The students prepared delectable chocolates last Friday.

The last day of school for this term will be on Thursday, March 28th. We will resume classes for term 2 on Monday, April 15.

Wishing you a great relaxing and enjoyable break.

Kind Regards,

Josie Spina

**The Easter Story.**

It was a Sunday night on the 31<sup>st</sup> of March. I couldn't sleep because there was a full moon and I could hear wolves and there was a scary tree that looked like a monster. I was next to the window facing the tree. Then I could hear a soft pitter patter on the roof than my door swung opened I went under my blankets hoping to protect myself than I fell asleep. The next morning my door was open and there was a large egg on my bed. I got up but then the egg fell on the floor. I had lightning-fast instincts and grabbed the egg before it hit the floor. I decided to open the egg and there sitting in my hand was a precious and luscious chocolate egg in my grasp. I took a look and a lick and I realised this wasn't normal chocolate but it was the most extravagant 10 star chocolate in the world it was DELICIOUS! I went outside to my parents' room. I woke them to show them the egg and I brought them to my room. I spotted a whole pile of smaller chocolate eggs then I went outside into the yard and before I knew it I was swimming in a pile of chocolate eggs.
